This is the same email -- different individual -- and is being controlled for a response.
While we await HQ input -- from both Shawn/Sussman and Congr Affairs' regional and HQ offices, we will sit on this.
Whatever is decided from on high re both the language and the "approach" we will comply with -- ! ;o)
The latest info is that there are 300+ such emails sitting in a "box" somewhere in HQ!!!
Also, Jeannine will be forwarding to us three more FYI emails -- just to close out her end of the process.
